

Speaking Leaders 2022

Danny Thomas

Danny is Executive Director of The Peace Center, an organization that works to educate, empower and enrich lives by building bridges toward a positive peace that is based in social justice, equity and equality. He is also a pastor in the United Methodist Church, having most recently served two

New Jersey congregations with diversely different backgrounds. In college, a religion professor introduced Danny to the concept of God’s Divine Plan and the writings of Glenn Clark. He first attended Winni in 2017. Danny believes that every day provides an opportunity to engage in God’s Divine Plan for creation. Every day holds the potential to encounter God, most often when engaging with other people. Through telling bits of his own journey from science geek with a research laboratory, to seminary at Princeton, to working as a chaplain in Uganda, to his current work at The Peace Center, Danny will share his own path (and struggles) in learning to listen and to be where he is most needed.

Johnann Johnson

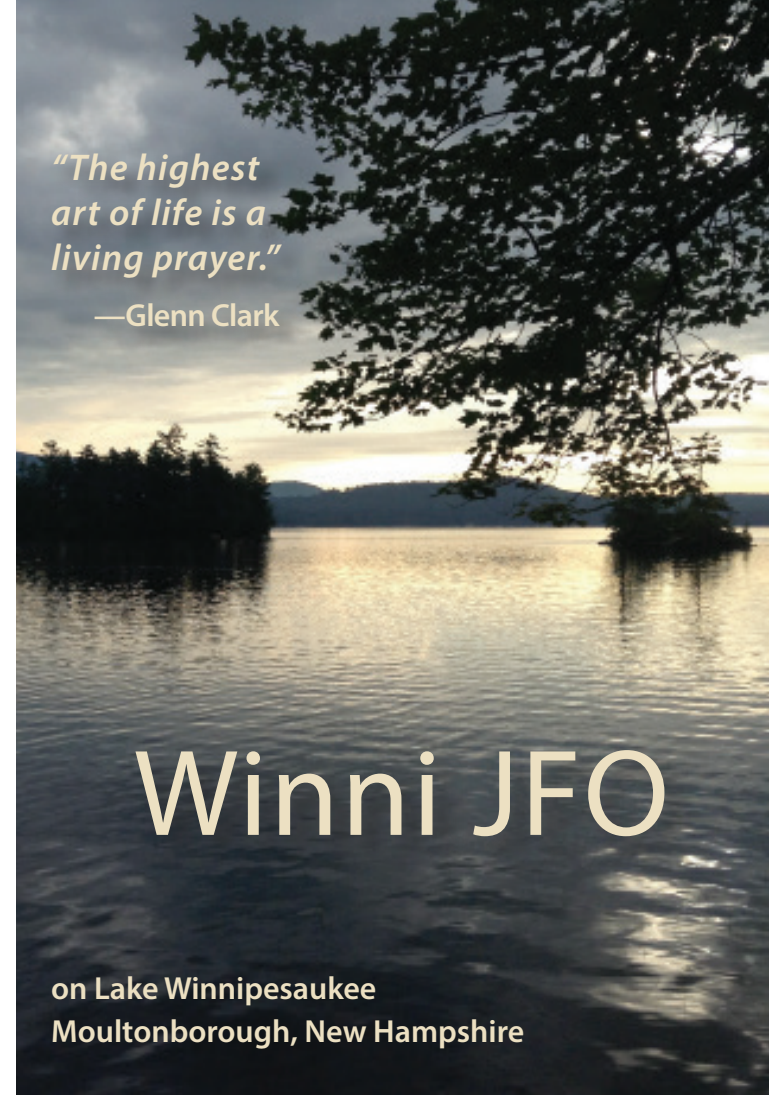

Johnann first found CFO/JFO in 1982, and it has been a full and loved part of her life ever since. She has found joy as a council ring member, youth leader, creatives leader and speaker. Her spiritual life is full of experimentation as she uses ‘prayer laboratory’ intention in building her ever-growing faith. Johnann is a holistic wellness coach and birth doula with a passion for helping clients develop their best and highest lives, healing naturally in body, mind and spirit. Johnann and her husband Michael share a blessed life with her mom, aunt and dog in Yuba City, CA. Her tight bonds with her family and an open-hearted faith bring her peace and joy.

WHAT IS JFO?

Journey Farthest Out is an authentic expression of the Farthest Out movement founded nearly 90 years ago by Christian author and professor Dr. Glenn Clark.

We invite all people, regardless of creed, orientation, or spiritual background, to come experience the joy of Kingdom Living through participation in the full camp program. We put aside our differences and create a safe place where all people are welcomed with the unconditional love taught by Jesus.

“The camps are dedicated to the purpose of discovering the wholeness of that abundant life which Christ promised, that life which is our rightful heritage whenever we dedicate our body, mind and soul completely to God through play, work and worship. We invite our campers to enter the kindergarten of creativity and discover all the joyous opportunities for spiritual expression. The highest art of life is a living prayer.”

– Glenn Clark
